

## LONGER TABLES

Cultivating humanity through **connection + belonging.**

### 2024 SPONSORSHIP OPPORTUNITIES

AN EXTRAORDINARY OPPORTUNITY TO HELP MAKE THE MILE-HIGH CITY THE MOST **CONNECTED AND HOSPITABLE** CITY IN THE NATION.

Believing in the power of the long table to connect people, celebrate diversity and be an equitable place of solidarity, we bring people from all walks of life together to share a meal at one, long table.

Since 2013, over 3,000 guests have connected at over 50+ tables in communities and companies.

From cross-cultural 'community tables' of 100 people to city-wide events such as our upcoming *528 Table* and *2025 Mile-Long Table (details to come!)* to helping companies create cultures of connection and belonging, Longer Tables believes the common table and shared meal holds the explosive potential to **rehumanize people, battle loneliness, and create bridges to collaboration.**

*We invite you to join the movement through partnership!*
